

# Thank you

Remember, everyone's grief is different and no ones journey is the same as someone elses.

If you feel you need support following the loss of a loved one, please get in touch using the contact details below and one of our team members can help to find the right service for you.

Healthwatch Walsall want to thank those who joined us and shared their stories around bereavement.

Please join us at our next Friday Focus which will be on 14th April where we will be joined by a guest speaker from Cancer services.

April is Bowel Cancer Awareness Month. If you or anyone you know have been affected, please come along. You do not have to share your story but you are welcome to come and listen to others and find out what support is available.
