

**WE WANT YOUR  
FEEDBACK**

**Can you help us improve the experience for families who are transferred between hospitals for maternity care?**

**Do the following questions apply to the birth of your baby?**

1. **Were you transferred between maternity units for induction of labour or to give birth?**
2. **Was this due to a lack of capacity at your original hospital?**
3. **Was your baby admitted to the neonatal unit after birth?**

**If so, please share your views using the QR code and survey link below**

This survey is for mothers, birthing people, fathers, non-birthing partners and their families
